Features

- Precision-engineered Taper Shank Machine Socket Reamers
- Designed for accurate hole finishing
- Taper shank for secure machine mounting

- High-quality HSS construction
- Precision-ground cutting edges
- Multiple flutes for smooth and efficient cutting
- Excellent dimensional accuracy
- Suitable for machine-operated reaming
- Available in various sizes and taper configurations (Model Dependent)
- Designed for long service life

Description

Overview

The Taper Shank Machine Socket Reamers are precision cutting tools designed for accurately enlarging, sizing, and finishing pre-drilled holes, particularly tapered socket holes and other precision-machined openings. Their taper shank allows direct mounting in compatible machine-tool holders or spindles, providing rigid and accurate tool support during machining.

Common Uses

The Banka Taper Shank Machine Socket Reamers are widely used for accurately sizing and finishing pre-drilled tapered socket holes and other precision openings during machine reaming, tool manufacturing, component production, and general engineering operations. They are essential cutting tools for machine shops, drilling machines, milling machines, tool rooms, production workshops, automotive industries, and precision engineering facilities, where accurate hole dimensions, smooth surface finish, rigid tool mounting, and consistent machining performance are essential.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
