Features

- Precision-engineered Hand Socket Reamers
- Designed for accurate hole finishing
- High-quality HSS / tool steel construction

- Precision-ground cutting edges
- Multiple cutting flutes for smooth material removal
- Suitable for hand-operated reaming
- Excellent dimensional accuracy and surface finish
- Strong and durable shank construction
- Available in various sizes (Model Dependent)
- Designed for long service life

Description

Overview

The Hand Socket Reamers are precision cutting tools designed for accurately enlarging, sizing, and finishing pre-drilled holes by hand. They are particularly suitable for producing accurate cylindrical holes and finishing tapered or socket-type openings where precise dimensional control and smooth surface finish are required.

Common Uses

The Banka Hand Socket Reamers are widely used for accurately sizing and finishing pre-drilled holes and socket-type openings during fitting, assembly, maintenance, repair, and general engineering operations. They are essential hand cutting tools for machine shops, tool rooms, maintenance departments, automotive workshops, fabrication units, educational institutes, and precision engineering facilities, where accurate hole dimensions, smooth surface finish, proper component fit, and reliable hand reaming performance are essential.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
