Features

- Precision-engineered APU Drill Chuck
- High-precision tool clamping mechanism
- Excellent concentricity and low runout
- Strong and secure tool gripping
- Precision-machined jaws

- High-quality alloy steel construction
- Rigid design for stable drilling
- Smooth tool clamping and release
- Suitable for high-speed machining applications
- Available in different capacities and mounting configurations (Model Dependent)

Specifications

Name	APU DRILL CHUCK ISO-30 (1MM TO 13MM)
Chuck Type	Precision Drill Chuck
Shank Taper	ISO-30
Chuck Capacity	1–13 mm
Length	100 mm
Body Material	Alloy Steel
Surface Finish	Precision Ground
Approx weight	0.8

Description

Overview

The APU Drill Chuck is a precision tool-holding accessory designed for securely gripping drills, reamers, and other cylindrical-shank cutting tools on CNC machining centers, milling machines, drilling machines, and other compatible machine tools. Its precision clamping mechanism provides strong tool retention, excellent concentricity, and reliable performance during high-speed drilling operations.

Common Uses

The Banka APU Drill Chuck is widely used for securely holding drills, reamers, and other cylindrical-shank cutting tools during CNC drilling, high-speed drilling, reaming, and precision machining operations. It is an essential tool-holding accessory for CNC machining centers, milling machines, drilling machines, production workshops, tool rooms, automotive industries, and precision engineering facilities, where high concentricity, low runout, rigid tool holding, accurate hole making, and reliable high-speed machining performance are essential.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
