Features

- 6-way adjustable stop positions for versatile operation
- Compatible with all standard lathe machines
- Heavy-duty hardened steel construction
- Precision-machined for accurate positioning

- Quick and easy adjustment with secure locking mechanism
- Improves repeatability in repetitive machining
- Reduces manual measurement and setup time
- Rigid and vibration-resistant design
- Corrosion-resistant finish for longer service life
- Easy installation and low maintenance

Specifications

Name	CARRIAGE STOPPER
Approx weight	0.8

Description

Overview

The Carriage Stopper – 6 Way is a precision lathe accessory designed to provide accurate and repeatable stopping positions for the carriage during machining operations. It helps improve dimensional accuracy, reduces setup time, and increases production efficiency. Suitable for all types of lathe machines, this heavy-duty stopper is ideal for repetitive turning, facing, and production work.

Common Uses

The Banka Carriage Stopper – 6 Way is widely used for accurate carriage positioning during turning, facing, shoulder turning, step turning, and repetitive production machining. It enables operators to achieve consistent dimensions without repeated measurements, making it an essential accessory for machine shops, production units, tool rooms, fabrication workshops, and manufacturing industries.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
