Features

- Precision-engineered Center Drill Bits
- Manufactured from high-quality HSS
- Combined drilling and countersinking geometry
- Precision-ground cutting edges
- Accurate center-hole formation

- Excellent concentricity and dimensional accuracy
- Suitable for lathe and machine-tool applications
- Available in various sizes (Model Dependent)
- Good wear resistance
- Designed for long service life

Specifications

Name	CENTER DRILL BITS (Set: 5 Pcs)
Pieces per Set	5 Pcs

Description

Overview

The Center Drill Bits are precision cutting tools designed for producing accurate center holes and starting holes in workpieces before turning, drilling, or other machining operations. Their combined drilling and countersinking geometry helps create a precise center location and provides a suitable seat for lathe centers.

Common Uses

The Banka Center Drill Bits are widely used for producing accurate center holes in shafts, rods, and other workpieces before lathe turning, drilling, CNC machining, and precision machining operations. They are essential cutting tools for machine shops, lathes, CNC machining centers, drilling machines, tool rooms, automotive industries, production workshops, and precision engineering facilities, where accurate center location, proper center seating, reduced drill wandering, and reliable machining performance are essential.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
