Features

- Precision-engineered MT-4 Collet Adopter
- MT-4 Morse taper for secure machine-spindle mounting
- Precision-ground taper surfaces

- Designed for compatible collets
- Excellent concentricity and tool alignment
- Rigid construction for stable machining
- High-quality alloy steel construction
- Heat-treated for improved strength and wear resistance
- Suitable for milling and drilling applications
- Available in different collet configurations (Model Dependent)

Description

Overview

The Milling Drilling MT-4 Collet Adopter is a precision machine-tool accessory designed to mount collets and compatible cutting tools on machines equipped with an MT-4 (Morse Taper No. 4) spindle or taper. It provides accurate tool location, secure holding, and reliable power transmission during milling, drilling, and related machining operations.

Common Uses

The Banka Milling Drilling MT-4 Collet Adopter is widely used for mounting compatible collets and cutting tools on MT-4 tapered machine spindles during milling, drilling, end milling, and precision machining operations. It is an essential machine-tool accessory for milling machines, drilling machines, tool rooms, production workshops, maintenance departments, and precision engineering facilities, where accurate tool alignment, secure clamping, low runout, rigidity, and reliable machining performance are essential.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
