Rupees Five Thousand Nine Hundred Eighty Two Only

Features

- Precision-engineered Combination Try Square
- Manufactured from high-quality hardened stainless steel
- Checks both 90° and 45° angles accurately
- Suitable for measuring, marking, and layout work
- Precision-ground measuring blade for reliable results

- Clearly engraved graduations for easy readability
- Adjustable square head with secure locking mechanism
- Corrosion and wear-resistant construction
- Available in various blade lengths and measuring capacities (Model Dependent)
- Designed for continuous industrial use

Specifications

Name	COMBINATION SQUARE 300 MM
Range	0–300 mm
Range (Inches)	0–12 inches
Width	25 mm
Thickness	2 mm
Standard	EEC-I
Least Count	1 mm / 1/64 inch
Base	Cast Iron Base, Painted
Accuracy	Linear ±0.2 mm; Angular ±5 minutes; Protractor Head ±15 minutes
Material	Hardened and Tempered Stainless Steel with Cast Iron Casting
Approx weight	0.45

Description

Overview

The Combination Try Square is a versatile precision measuring and marking tool designed for checking 90° and 45° angles, measuring depths, marking layouts, and verifying component alignment. Combining multiple measuring functions in a single tool, it improves accuracy and efficiency in machining, fabrication, woodworking, and inspection applications. Manufactured from high-quality hardened stainless steel with a durable square head, it offers excellent precision, durability, and long service life.

Common Uses

The Banka Combination Try Square is widely used for checking right angles, measuring depths, marking layouts, verifying alignment, and inspecting machined components during manufacturing, fabrication, maintenance, and quality control operations. It is an essential precision measuring tool for machine shops, CNC machining centers, fabrication workshops, woodworking units, tool rooms, automotive industries, educational institutes, and precision engineering facilities, where accurate measurement, precise layout, and reliable inspection are essential for producing high-quality engineered components.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
