Features

- Precision-engineered depth measuring instrument
- Manufactured from high-quality hardened stainless steel
- Precision-ground measuring faces for accurate readings
- Smooth and finely threaded spindle movement

- Rigid base for stable and repeatable measurements
- Clear, easy-to-read graduations
- Satin chrome finish to reduce glare
- High wear and corrosion resistance
- Ergonomic design for comfortable handling
- Designed for continuous industrial use

Description

Overview

The Depth Micrometer is a precision measuring instrument designed for accurately measuring the depth of holes, slots, recesses, grooves, and shoulders in machining and inspection applications. Manufactured from high-quality hardened stainless steel with precision-ground measuring faces, it delivers exceptional accuracy, repeatability, and durability. Its rigid base and finely threaded spindle ensure smooth operation and reliable measurements, making it an essential tool for quality control and precision engineering.

Common Uses

The Banka Depth Micrometer is widely used for measuring the depth of holes, slots, grooves, recesses, and shoulders during machining, inspection, quality control, and maintenance operations. It is an essential precision measuring instrument for machine shops, CNC machining centers, tool rooms, automotive industries, die & mould manufacturers, educational institutes, and precision

engineering facilities, where accurate depth measurement, consistent inspection, and superior dimensional control are essential for achieving high-quality manufacturing standards.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
