Features

- Precision-engineered ISO Drill Chuck Arbour
- Designed for ISO machine-tool spindle systems
- Precision-ground taper and mounting surfaces
- Accurate drill chuck mounting
- Excellent concentricity and tool alignment

- High-strength alloy steel construction
- Heat-treated for improved durability
- Secure and rigid tool holding
- Reliable power transmission
- Available in different ISO sizes and chuck mounting configurations (Model Dependent)

Description

Overview

The Drill Chuck Arbour – ISO is a precision machine-tool accessory designed for mounting drill chucks onto ISO spindle holders of CNC milling machines and machining centers. It provides accurate tool positioning, secure chuck mounting, and reliable power transmission during drilling and related machining operations.

Common Uses

The Banka Drill Chuck Arbour – ISO is widely used for mounting drill chucks onto ISO spindle systems in CNC machining centers and milling machines during drilling, reaming, tapping, and general machining operations. It is an essential machine-tool accessory for CNC machining centers, production workshops, tool rooms, machine shops, automotive industries, and precision engineering facilities, where accurate tool alignment, secure chuck mounting, low runout, rigid tool holding, and reliable machining performance are essential.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
