Features

- Precision-engineered keyed drill chuck
- Strong three-jaw self-centering design
- Manufactured from high-quality hardened alloy steel
- Secure tightening using chuck key
- High gripping force for reliable tool holding

- Precision-machined jaws for excellent concentricity
- Smooth and durable operating mechanism
- Wear and corrosion-resistant construction
- Compatible with various machine types (Model Dependent)
- Designed for continuous industrial use

Description

Overview

The Drill Chuck with Key is a precision tool-holding accessory designed to securely clamp drill bits, reamers, countersinks, and other straight-shank tools during drilling and machining operations. Equipped with a keyed tightening mechanism, it provides superior gripping force and reliable torque transmission, ensuring stable and accurate performance even in heavy-duty applications. Manufactured from premium-grade hardened alloy steel, it offers exceptional durability, precision, and long service life.

Common Uses

The Banka Drill Chuck with Key is widely used for securely holding drill bits, reamers, countersinks, and other straight-shank cutting tools during drilling, reaming, countersinking, and light tapping operations. It is an essential tool-holding accessory for CNC machining centers, milling machines, bench drilling machines, radial drills, tool rooms, production workshops, automotive industries, maintenance departments, and precision engineering facilities, where secure clamping, minimal runout, and reliable drilling performance are essential for achieving accurate and consistent machining results.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
