PRICES VALID UNTIL	09 Nov 2026

TOOLS

Face Cutter

The Face Cutter is a precision milling tool designed for machining flat surfaces, shoulders, and large workpiece areas efficiently. It is commonly used for removing material quickly while producing a smooth, accurate, and uniform surface finish.

Features

- Precision-engineered Face Cutter
- Designed for efficient face milling
- Rigid and durable cutter construction
- Precision-machined cutting geometry
- Suitable for carbide inserts (Model Dependent)
- Excellent material removal capability
- Efficient chip evacuation
- Suitable for roughing and finishing operations
- Available in various diameters and configurations (Model Dependent)
- Suitable for conventional and CNC milling

Specifications

Name	FACE CUTTER
Product Type	Face Cutter
Material	Tool Steel / Alloy Steel (Model Dependent)
Insert Type	Carbide Insert (Model Dependent)
Cutter Diameter	Model Dependent
Number of Inserts / Teeth	Model Dependent
Cutter Width	Model Dependent
Bore / Mounting	Model Dependent
Overall Length	Model Dependent
Cutting Geometry	Model Dependent
Machine Compatibility	Milling Machine / CNC Machining Center
Usage	Industrial & Workshop Applications

Description

Overview

The Face Cutter is a precision milling tool designed for machining flat surfaces, shoulders, and large workpiece areas efficiently. It is commonly used for removing material quickly while producing a smooth, accurate, and uniform surface finish.

Common Uses

The Banka Face Cutter is widely used for machining flat surfaces, shoulders, and large surface areas on steel, cast iron, aluminium, and other suitable engineering materials, depending on the cutter and insert grade. It is an essential milling tool for CNC machining centers, milling machines, production workshops, machine shops, tool rooms, automotive industries, and precision engineering facilities, where accurate flat surfaces, efficient material removal, excellent surface finish, and reliable machining performance are essential.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
