Features

- Manufactured from High-Speed Steel (HSS).
- Straight-tooth cutting design.
- Designed for machining Woodruff keyseats.
- Suitable for shaft key slot milling.

- Provides precise cutting performance.
- Supports consistent slot dimensions.
- Suitable for compatible milling machines.
- Designed for industrial machining applications.
- Available in different sizes and specifications.
- Suitable for workshop and production use.

Description

Overview

HSS Woodruff Key Slot Milling Cutters (Straight Teeth) are precision cutting tools designed to machine semicircular keyseats in shafts and other compatible workpieces. Manufactured from High-Speed Steel (HSS), these cutters are suitable for accurate key slot milling operations in conventional milling machines and compatible machining setups.

Common Uses

HSS Woodruff Key Slot Milling Cutters with straight teeth are commonly used in engineering workshops, tool rooms, and manufacturing facilities to machine semicircular keyseats in shafts and other compatible components. These slots accommodate Woodruff keys used to locate and secure rotating components such as gears, pulleys, and sprockets. The cutters are suitable for

conventional milling machines and compatible production setups where accurate keyseat dimensions and reliable component assembly are essential.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
