Features

25 mm Drilling Capacity

Can drill holes up to **25 mm (1 inch)** in diameter in steel/metal. Ideal for medium-duty workshop and manufacturing tasks.

Adjustable Speed Settings

Multiple spindle speeds (often via belt-and-pulley or electronic control). Allows matching speed to material type (metal, wood, plastic) for clean, accurate holes.

Rigid Column & Heavy Base

Sturdy column ensures minimal vibration and accurate drilling. **Heavy cast-iron base/table** provides stability and supports larger workpieces.

Adjustable Work Table

Table height and angle can be adjusted or tilted (e.g., 45° left/right). Facilitates drilling at angles and accommodates various workpiece sizes.

Depth Stop & Safety Features

Built-in **depth stop** for consistent hole depth. Often includes **safety guards**, emergency stop, overload protection, and easy-to-reach controls for operator safety.

Specifications

DESCRIPTION	BANKA
Drilling capacity in M.S.	25
Drilling capacity in C.I.	32
Tapping in M.S.	20
Spindle Hole Taper	MT – 3
Spindle Travel	160
Spindle Speeds (RPM * Steps)	100-2650 * 8
Diameter of RAM	72
Feed type	FINE FEED
Max.Dist Spindle Nose to table	560
Spindle center to column	206
Table Size	318 * 318
Machine Measurement (L * B * H)	500 * 304 1600

Column Diameter	90
Dist. from Spindle Nose to Base	950
Drill Head Motor	1 HP
V-Belt	B – 46

Description

- Heavy-Duty Drilling Capability

25 mm pillar drill machine is designed to accurately drill holes up to 25 mm in diameter through metal, wood, and plastics, making it suitable for workshops, fabrication shops, and industrial environments.

- Adjustable Speed Control

It features multiple speed settings, usually through a belt/pulley system or electronic control, allowing the operator to match spindle speed to the material and drill size for efficient, clean drilling.

- Sturdy Construction for Precision

Built around a rigid column and robust base, the machine minimizes vibration and deflection. This enhances drilling accuracy and prolongs tool life, especially when working with tougher materials.

- Flexible Work Table

The machine includes an adjustable table that can be raised, lowered, and often tilted to support different workpiece sizes and enable angled drilling, increasing versatility.

- User-Friendly and Safe Operation

Equipped with a depth stop, clear scales, safety guards, and easy-to-reach controls, the pillar drill ensures precise, repeatable results while prioritizing operator safety during continuous use. EXTRA ACCESSORIES - Electrical Motor 1Hp - Keyless Drill chuck & arbor - Drill chuck & Arbor - Coolant pump with coolant tank - Drill Vice - Wooden Box

Free accessories included with the machine

2 items supplied at no extra cost.

+ Motor pulley

+ V Belt

The Banka promise

3-Year Warranty

Against manufacturing defects in major components.

Transit Damage Covered

Full responsibility for transport damage; safe packing free.

Fast Delivery

Ready-stock delivery across India in about 10 days.

Video-Call Support

Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
