Features

- Precision-engineered Plain Washer
- High-quality steel construction
- Smooth and flat bearing surface
- Helps distribute clamping load evenly
- Precision-machined inner and outer diameters

- Protects machine and fixture surfaces
- Wear and corrosion-resistant construction
- Available in various sizes and thicknesses (Model Dependent)
- Suitable for industrial and workshop applications
- Designed for long service life

Description

Overview

The Plain Washer is a standard fastening and workholding component designed to be placed beneath nuts, bolts, and screws to distribute clamping load over a larger surface area. It helps protect the mating surface, reduces localized stress, and provides a stable fastening connection.

Common Uses

The Banka Plain Washer is widely used beneath nuts, bolts, studs, T-bolts, strap clamps, mould clamps, fixtures, and machine components to distribute clamping loads and protect mating surfaces during machine assembly, workholding, fabrication, maintenance, and installation operations. It is an essential fastening accessory for CNC machining centers, milling machines, drilling machines, machine shops, tool rooms, fabrication workshops, automotive industries, and precision engineering facilities, where secure fastening, proper load distribution, and reliable workholding are essential.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
