Features

- Precision-engineered Prick Punch
- Manufactured from high-quality hardened alloy steel
- Sharp, precision-ground pointed tip
- Tapered point for accurate fine marking
- Heat-treated for superior hardness and impact resistance

- Knurled body for a secure, non-slip grip
- Designed for repeated hammer strikes
- Wear and corrosion-resistant construction
- Available in various lengths and tip sizes (Model Dependent)
- Suitable for professional industrial use

Description

Overview

The Prick Punch is a precision hand tool designed for making small, accurate marks on metal surfaces during layout, marking, drilling preparation, and fabrication operations. Its sharp, tapered point produces a fine indentation that can be used as a reference mark for locating dimensions, drawing layout lines, or positioning a drill.

Common Uses

The Banka Prick Punch is widely used for making fine reference marks, locating drilling points, transferring dimensions, and performing precision layout work on metal plates, shafts, machine components, fabricated parts, and engineering workpieces. It is an essential hand tool for machine shops, fabrication workshops, automotive industries, maintenance departments, tool rooms, educational institutes, and precision engineering facilities, where accurate marking, proper workpiece layout, and reliable preparation for machining operations are essential.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
