Features

- Precision-engineered Q.C. Chuck Collets
- Designed for Quick Change Chuck systems
- High-quality hardened alloy steel construction
- Precision-machined tool-holding bore
- Secure and accurate tool gripping

- Quick tool change capability
- Excellent concentricity
- Smooth and reliable tool insertion and removal
- Available in various bore sizes (Model Dependent)
- Suitable for industrial and production applications

Description

Overview

The Q.C. Chuck Collets are precision tool-holding components designed for use with Quick Change Chucks to securely hold drills, taps, reamers, and other compatible cutting tools. Their quick-change design allows fast tool replacement while maintaining accurate tool positioning and reliable clamping.

Common Uses

The Banka Q.C. Chuck Collets are widely used for quickly mounting and changing drills, taps, reamers, and other compatible cutting tools in quick change chuck systems during drilling, tapping, reaming, CNC machining, and repetitive production operations. They are essential tool-holding accessories for drilling machines, milling machines, CNC machining centers, production workshops, tool rooms, and precision engineering facilities, where fast tool changes, accurate tool alignment, secure gripping, reduced setup time, and reliable machining performance are essential.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
