Features

- High accuracy, easy reading of all dias clear & functional of all operating elements, sturdy yet good looking practical design. These are widely used for circular cutting, angle cutting, boring and spot facing with a milling machine.
- Works as an index center in the vertical position, as well as conventional Rotary Table, graduated 360°
- Provision for fine adjustments when settings work piece.
- Efficient lock provided.

- Worm drive disengagement is quick and precise. An eccentric sleeve with thrust Bearing races encases the worm shaft.
- End play in worm shaft is adjustable.

Description

Overview

The Universal Rotary Milling Table is a precision workholding accessory designed to rotate and position workpieces accurately for milling, drilling, boring, indexing, and machining operations. Its universal design allows both horizontal and vertical mounting, enabling precise angular positioning and multi-axis machining. Manufactured from high-grade cast iron with precision-ground surfaces and a hardened worm gear mechanism, it delivers excellent rigidity, accuracy, and long service life.

Common Uses

The Banka Universal Rotary Milling Table is widely used for circular milling, angular machining, drilling, boring, indexing, gear cutting, slotting, and precision component manufacturing on milling machines and machining centers. It is an essential workholding accessory for machine shops, tool rooms, automotive industries, fabrication workshops, educational institutes, production facilities, and precision engineering applications, where accurate rotary positioning, secure workholding, and repeatable machining performance are critical for producing high-quality components.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
