Features

- Precision-engineered Slotted Clamp
- Heavy-duty steel construction
- Elongated slot for flexible positioning
- Strong and stable clamping performance
- Precision-machined contact surfaces

- Suitable for use with T-bolts, studs, T-nuts, and nuts
- Excellent resistance to wear and deformation
- Rigid construction for improved machining stability
- Available in various sizes and capacities (Model Dependent)
- Designed for continuous industrial use

Description

Overview

The Slotted Clamp is a heavy-duty workholding accessory designed to securely hold and position workpieces, fixtures, and components on machine-tool tables. Its elongated slot allows flexible positioning of the clamping bolt or stud, making it suitable for different workpiece sizes and clamping arrangements.

Common Uses

The Banka Slotted Clamp is widely used for securely clamping workpieces, fixtures, moulds, dies, and components to machine tables during milling, drilling, CNC machining, shaping, boring, and fabrication operations. It is an essential workholding accessory for machine shops, CNC machining centers, milling machines, drilling machines, tool rooms, fabrication workshops, automotive industries, production units, and precision engineering facilities, where strong clamping force, flexible positioning, rigid workholding, and reliable machining performance are essential.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
