Features

Slotting Machine Features

Stroke Capacity

250mm (ideal for precision slot cutting, keyways, and internal machining).

Heavy-Duty Construction

Robust cast iron body ensures vibration-free and accurate operation.

High Accuracy

Suitable for machining slots, grooves, and internal profiles with precision.

Adjustable Stroke Length

Easy adjustment for different job requirements.

Versatile Applications

Used for keyways, gear teeth, slots, and other internal machining.

Rigid Tool Head

Ensures longer tool life and better surface finish.

Smooth Operation

Designed for continuous and efficient performance.

Easy Maintenance

Simple mechanism with low maintenance cost.

Compact Design

Space-saving, suitable for small and medium workshops.

Operator-Friendly

Easy to handle, safe, and convenient in operation.

C	280 * 340

Description

Overview

The 250mm Slotting Machine is a compact and robust tool designed for precision machining of keyways, slots, grooves, and internal profiles. Built with heavy-duty cast iron construction, it ensures vibration-free operation and high accuracy. With adjustable stroke length and smooth performance, this machine is ideal for small to medium workshops, tool rooms, and repair industries. Its operator-friendly design, low maintenance, and reliable performance make it an ideal choice for precise internal shaping work.

Precision Machining

Designed for cutting keyways, slots, internal grooves, and other accurate profiles.

Heavy-Duty Construction

Robust cast iron body ensures stability and vibration-free operation.

Adjustable Stroke

250mm stroke capacity with easy adjustment for different machining needs.

User-Friendly Operation

Simple mechanism, smooth performance, and low maintenance cost.

Wide Applications

Ideal for tool rooms, maintenance workshops, and medium-scale industries.

Free accessories included with the machine

4 items supplied at no extra cost.

+ Boring Bar
+ Motor Pulley Counter
+ V– Belt
+ Switch

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
