Features

- Precision-engineered Standard Revolving Centre
- Hardened and precision-ground centre point
- High-quality alloy steel construction
- Bearing-supported rotating tip
- Excellent concentricity

- Smooth and stable rotation
- High load-bearing capacity
- Reduced friction and heat generation
- Suitable for medium and heavy-duty turning
- Available in various Morse Taper sizes (Model Dependent)

Description

Overview

The Standard Revolving Centre is a precision lathe accessory designed to support the free end of rotating workpieces during turning and machining operations. Its rotating bearing-supported tip allows the centre to rotate with the workpiece, reducing friction and heat generation while providing stable and accurate support.

Common Uses

The Banka Standard Revolving Centre is widely used for supporting long and slender workpieces between the lathe chuck and tailstock during turning, facing, boring, threading, and other machining operations. It is an essential lathe accessory for centre lathes, CNC lathes, production workshops, machine shops, tool rooms, automotive industries, and precision engineering facilities, where stable workpiece support, reduced deflection, accurate turning, smooth rotation, and reliable machining performance are essential.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
