Features

- Precision-engineered Stub Milling Arbour
- ISO taper for secure machine-spindle mounting
- Compact design with minimal tool overhang
- High rigidity for heavy-duty milling
- Precision-ground taper and mounting surfaces

- High-quality alloy steel construction
- Accurate cutter location and alignment
- Heat-treated for enhanced strength and durability
- Suitable for shell mills and face mills
- Available in various ISO sizes and cutter mounting configurations (Model Dependent)

Description

Overview

The Stub Milling Arbour (ISO) is a precision tool-holding accessory designed for mounting shell mills, face mills, and other arbor-mounted milling cutters on ISO taper machine spindles. Its compact stub design provides excellent rigidity and minimizes tool

overhang, making it suitable for heavy-duty and high-precision milling operations.

Common Uses

The Banka Stub Milling Arbour (ISO) is widely used for mounting shell mills, face mills, and other arbor-type milling cutters on ISO-taper machine spindles during face milling, heavy-duty milling, shoulder milling, and production machining operations. Its compact construction helps provide high rigidity, reduced tool overhang, improved vibration control, and accurate cutter positioning, making it an essential tool holder for CNC machining centers, milling machines, production workshops, tool rooms, automotive industries, and precision engineering facilities.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
