Features

- Precision-engineered Tool Holders
- Rigid construction for secure tool clamping
- Precision-machined mounting and tool interfaces
- Excellent tool positioning and repeatability

- High rigidity for stable machining
- Suitable for various cutting tools (Model Dependent)
- Available in different taper and mounting configurations
- Good concentricity for accurate machining
- Wear-resistant construction
- Designed for continuous industrial use

Specifications

Name	Shank Size	Material	Type	Application	Compatibility	Usage	Approx weight
TOOL HOLDERS 1/4	1/4 inch	Hardened Steel	Lathe Tool Holder	Holding and Securing Cutting Tools	Suitable for Lathe Machines	Turning, Facing, and General Machining Operations	0.1
TOOL HOLDERS 5/16	5/16 inch	Hardened Steel	Lathe Tool Holder	Holding and Securing Cutting Tools	Suitable for Lathe Machines	Turning, Facing, and General Machining Operations	0.12
TOOL HOLDERS 3/8	3/8 inch	Hardened Steel	Lathe Tool Holder	Holding and Securing Cutting Tools	Suitable for Lathe Machines	Turning, Facing, and General Machining Operations	0.15
TOOL HOLDERS 1/2	1/2 inch	Hardened Steel	Lathe Tool Holder	Holding and Securing Cutting Tools	Suitable for Lathe Machines	Turning, Facing, and General Machining Operations	0.2

Description

Overview

The Tool Holders are precision-engineered accessories designed to securely hold and position cutting tools on machine tools, ensuring accurate tool alignment, rigidity, and reliable cutting performance. They form the critical connection between the machine spindle or tool post and the cutting tool, helping maintain tool stability and machining accuracy.

Common Uses

The Banka Tool Holders are widely used for securely mounting and positioning cutting tools during milling, turning, drilling, boring, and CNC machining operations. They are essential accessories for CNC machining centers, milling machines, CNC lathes, conventional lathes, tool rooms, production workshops, automotive industries, mold and die manufacturing, and precision engineering facilities,

where rigid tool clamping, accurate positioning, low vibration, and repeatable machining performance are essential for producing high-quality components.

The Banka promise

3-Year Warranty
Against manufacturing defects in major components.

Transit Damage Covered
Full responsibility for transport damage; safe packing free.

Fast Delivery
Ready-stock delivery across India in about 10 days.

Video-Call Support
Free start-up demo and quick remote technical help.

Terms & conditions

- All prices are in Indian Rupees and exclude GST; GST @ 18% is extra.
- Price validity: 7 days from the date of issue. Prices are taken live from ravimachines.com on that date.
- Warranty: 3-year warranty against manufacturing defects.
- Delivery: Free delivery, subject to Banka Machines' confirmation.
- Ready stock: 100% advance payment before dispatch; dispatched within 2 working days of full payment.
- Made to order: 50% advance on purchase order confirmation and 50% before dispatch.
- Accessory prices are standard catalogue prices; size-specific items (chucks, motors) are confirmed with your order.
