Description

Overview

The Tools Tray is a practical workshop storage accessory designed for organizing, storing, and keeping hand tools, measuring instruments, cutting tools, and small machine accessories within easy reach. Its compartmented or open design helps maintain an orderly workspace and reduces tool-searching time.

Common Uses

The Banka Tools Tray is widely used for storing and organizing hand tools, measuring instruments, cutting tools, machine accessories, fasteners, and other small workshop items. It is an essential workshop accessory for machine shops, CNC workshops, tool rooms, maintenance departments, production floors, assembly areas, and engineering facilities, where organized tool storage, easy accessibility, workspace efficiency, convenient handling, and reliable durability are essential.
