BOSCH STORAGE SOLUTIONS: HANDLE EVERYTHING FROM THE WORKSHOP TO THE JOBSITE AND BACK AGAIN

Now more than ever, construction pros know that time is money. Studies indicate that pros can easily improve productivity by reducing time spent searching for tools, rummaging through their trucks trying to find supplies. The Bosch Click & Go™ System allows users to efficiently organize, store and transport their tools and accessories. In addition, Bosch, Sortimo® and Knapheide® have partnered to deliver innovative storage solutions and customized configurations for the job. Flexibility, efficiency and quick access to the right tools means more time in your day to get back to what's really important.
